

DuPont™ ProShield® 50

The high-performance, affordable protective garment

DuPont™ ProShield® 50 is one of the most economical protective garments available today, with similar performance to many higher priced alternatives.

Made from microporous film, ProShield® 50 garments help protect workers who face on-the-job exposure to a range of non-hazardous aerosols, light liquid splash and dry particles.

Industries and applications

- Janitorial
- Sanitation
- General industrial maintenance

DuPont performance at an economical price

- Protection: Provides a barrier against a range of non-hazardous aerosols, light liquid splash and dry particles.
- Comfort: Lighter weight and roomy design make for greater comfort and mobility.
- Features: Zipper front, elastic wrist and ankle, hood and boot options available.
