

Science.
Applied to Life.™

The protection you need. The savings you want.

Upgrade from your current respiratory PPE to get rebates on 3M™ Versaflo™ Powered and Supplied Air Respiratory Protection.

Trade in your current and qualifying respiratory protection and receive a rebate on qualifying purchases of 3M Versaflo Powered and Supplied Air products. There has never been a better time to upgrade your gear. It's time to assess your equipment and make the switch to 3M Versaflo and save!

Convert using any of these 3M Versaflo Powered and Supplied Air kits and assemblies:

3M Versaflo TR-300+ systems

3M Versaflo TR-600 systems

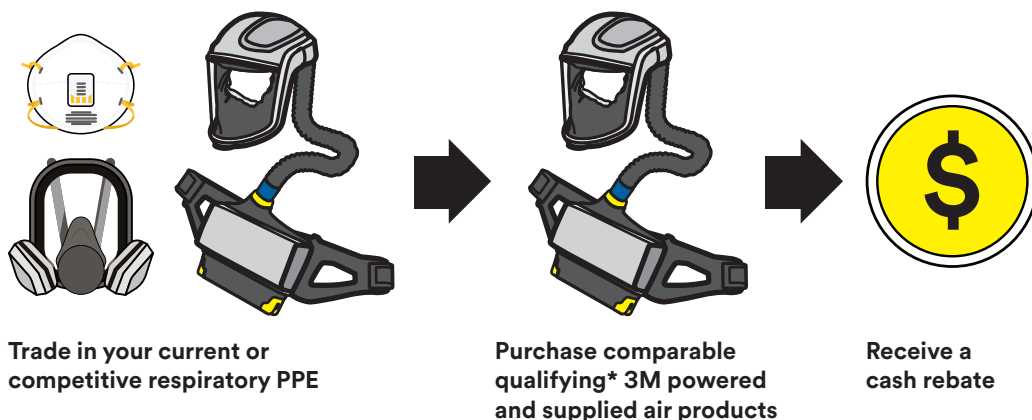

3M Versaflo TR-800 Intrinsically
Safe systems

3M Supplied Air systems

The above products do not represent the full product offering. Other accessories such as headtops, chargers and valves can apply. Full product list can be downloaded from the program homepage.

New 3M customers can **Trade-in:**

It's easy to get started.

Trade in your competitive product and legacy 3M PPE.

- 1. Identify**
Find the current respiratory protection you want to trade-in.
- 2. Choose**
Select from a variety of 3M Powered and Supplied air kits, assemblies and components. A full product list can be found at **3M.com/SafetyRebates**.
- 3. Order**
Place your order with an authorized 3M distributor.
- 4. Register**
Confirm your purchase and decommission of previous competitive product and initiate your rebate payment at **3M.com/SafetyRebates**.

**Trade-in or trade-up at
3M.com/SafetyRebates today.**

What you'll need:

- Digital copy of your receipt of purchase from a 3M authorized distributor
- Digital images proving your old equipment was taken out of service (e.g. photos of competitive product no longer in use and discarded through your appropriate waste streams).

End user rebate only. Distributors and wholesalers excluded. Must follow requirements online to receive rebate. Void where prohibited. Purchases must be made between January 1st, 2025 and December 31st, 2025. Submission for 2025 must be entered by January 15th, 2026. Visit 3M.com/SafetyRebates for full terms and conditions.

*Qualifying submissions are on a one for one basis. The number of systems purchased cannot exceed the amount of end-users converting to 3M products for rebates. Except as noted in the Terms & Conditions.

Limited Terms and Conditions. See full terms and conditions at **3M.com/SafetyRebates**

Upon approval, end-user customers are eligible to receive a manufacturer's rebate when they Trade in (i.e., permanently take out of service) NIOSH approved competitive respiratory equipment or 3M legacy product and replace with comparable and qualifying 3M™ Versaflo™ kits, assemblies and certain components, purchased between January 1st, 2025 and December 31st, 2025. Competitive product must be functional and hold a NIOSH approval. Proof of ownership or 3M legacy product and proof of purchase of 3M product required upon submission.

A full list of qualifying products and rebate amounts can be found on the program website at **3M.com/SafetyRebates** or **SafetyRebates** in Canada. Products outside of this list do not qualify for this offer and qualifying products are subject to change at any time at the sole discretion of 3M without notice. 3M reserves the right to change or terminate this program at any time and without prior notice. **Please read the full terms and conditions prior to participation in this program.**

It is strongly suggested that you work closely with your 3M sales representative prior to participating in this program to ensure accuracy and approval of rebate submissions.
