FOR IMMEDIATE RELEASE

Saf-T-Gard International, Inc. is Awarded GSA Contract

Saf-T-Gard provides value, safety, and security to United States federal government agencies with its finest, world-class quality safety products, personal protective equipment and services

March 21, 2024 – NORTHBROOK, IL –Saf-T-Gard International, Inc., a full-line, quality-oriented supplier of global industrial safety solutions bringing workers home safely for more than 85 years, is excited to now also serve the U.S. General Services Administration (GSA), the preferred procurement vehicle for the government, with its newly awarded GSA contract.

Under contract 47QSWA23D009R, Saf-T-Gard is approved to supply gloves, protective clothing and dielectric testing services through the GSA Advantage Web site (www.gsaadvantage.gov), the worldwide shopping network for all federal agencies to purchase from approved GSA Schedule Contracts. This contract can be used by U.S. federal government agencies through September 2028. The contract has a low minimum order level with additional discounts for orders more than \$25,000.00.

“Saf-T-Gard is invested, focused and passionate about our customer’s safety and has been so now for four generations of ownership,” said Richard Rivkin, Saf-T-Gard CEO and Chairman of the Board. “Since 1936, Saf-T-Gard has enabled on-the-job safety, compliance, and peace of mind for hundreds of thousands of workers and their families by delivering superior safety products and solutions that protect against work-related hazards and prevent serious injuries, and we are thrilled to now be able to extend our pre-approved products and services to government agencies as well.”

About Saf-T-Gard International, Inc.

Located in Northbrook, Illinois, **Saf-T-Gard International, Inc.** is a privately-held family-owned and operated global supplier of industrial safety products. Founded in 1936 as Latex Glove Manufacturing Company, Saf-T-Gard quickly evolved into a predominant manufacturer, distributor, importer and exporter of personal protective equipment, environmental safety, facility safety, first aid, public safety, and electrical safety. Today, Saf-T-Gard carries on the tradition that was started more than 85 years ago: bringing customers the products, training, and service they need to keep employees safe in the workplace. Saf-T-Gard is an active member of the National

Safety Council (NSC) and AD Safety Network, as well as the American Society for Testing Materials (ASTM) and the International Safety Equipment Association (ISEA) committees responsible for the development of industry standards for protective equipment. Saf-T-Gard provides thousands of solutions from recognized brand names in addition to its renowned line of proprietary brands. Saf-T-Gard actively operates the **Voltgard® Test Lab**, one of the largest, independent, NAIL4PET-accredited test labs for rubber insulating products in the United States.
